

Anna Filatova Joins NRC as Co-managing Director and Head of Equity Capital Markets

KYIV CITY, (PRESS OFFICE NRC.) May 5, 2021 – Today the press service of the Corporation announced that Anna Filatova has joined the Corp. as a Co-managing Director and Head of Equity Capital Markets (ECM). Based in Kyiv, she will work with senior bankers throughout the organization to advise clients across sectors on structuring and marketing initial public offerings (IPOs), follow-ons and convertible offerings.

Ms. Filatova has more than 20 years of industry experience and joins NRC. from Kozachenko Co. where she was head of the Industrials ECM Group and Equity Syndicate. In her role, she was responsible for sourcing, structuring and marketing IPOs, private placements, follow-ons and convertibles. She also advised clients on the market impact of strategic assignments such as mergers and acquisitions, spin-offs, divestitures and corporate restructurings. Prior to covering Industrials clients, Ms. Filatova worked with companies in the Financial Institutions and Financial Technology sectors for nearly 10 years.

Dmitry Kozachenko, NRC's Co-Chairman and Co-Chief Executive Officer, said, "We are excited to welcome Ann to the Corporation to lead our ECM team, a strategically significant area of growth for us. We have built a world-class ECM underwriting and advisory business which has experienced broad growth from additional industry diversification, more active bookrun deals and continued buildout of the team. Ann's strong record of accomplishments with clients, particularly serving clients in the Industrials, Financial Institutions and Financial Technology sectors, as well as her experience working on more than 200 bookrun transactions in her career, makes her a very strong addition to the our team."

Pavlo Vetrenko, NRC's Co-Chairman and Co-Chief Executive Officer, added, "We are excited that Anna will be joining our team to assume leadership of ECM, a critical and strategic area of importance to our Corp. Anna brings outstanding leadership, vast experience and overall strong value add to our advisory services. Her strong commitment to clients, as well as to people development, makes her an

excellent fit with our own culture. We feel very fortunate for the opportunity to add a person of Anna's character, capabilities and drive to our organization".

Ms. Filatova said, "NRC's ECM business is experiencing impressive growth and I am excited to join NRC and lead the ECM team through this next stage of growth. I'm equally looking forward to the opportunity to advise clients across a variety of sectors and on all aspects of their equity story".

Mikolaj Vetrov added, "I am very excited to work with Anna as we continue to grow our ECM business. Her experience and judgment will add to our never-ending focus on unbiased, world-class advice and top-tier execution for our clients".

Mr. Schwarzburg concluded, "We also want to thank Mikolaj Vetrov for his vision and his excellent leadership of our ECM business, including our industry-leading growth rate this year. Dmitry, Pavlo and I worked together to identify and recruit Ann, who we are certain will be the ideal leader to guide our ECM business going forward, enabling Michael to focus on his passion of teaming with our partners to provide world-class advice to our valued clients".

About NRC.

National Reserve & Securities Corporation (NRC.) is one of the regional's largest banking and financial services organizations. Our global businesses serve more than 1000 customers worldwide through a network that covers 30 countries and territories.

Our customers range from small businesses and investors to some of the world's biggest companies, governments and international organizations. We aim to connect them to opportunities and help them to achieve their ambitions.

The products and services we offer vary widely according to customers' needs. We offer businesses loans to invest in growth, and products such as foreign exchange and trade financing that enable them to expand internationally. And for large companies and organizations operating across borders, we offer tailored advice on decisions such as financing major projects, issuing debt or making acquisitions.
